jozef.jasiczak@put.poznan.pl
maciej.szumigala@put.poznan.pl

Faculty:

Faculty of Civil and Environmental Engineering
ul. Piotrowo 5
60-965 Poznań
tel. (061) 665-2413, fax. (061) 665-2444
e-mail: office_dceeaf@put.poznan.pl

Status of the course in the study program:

-Obligatory specialization course

Assumptions and objectives of the course:

-The purpose of the course is recapitulating and broadening the knowledge acquired during the studies. Students will be presented the necessary conditions for taking final examinations, the methods of preparing the thesis and its defence

Contents of the course (course description):

-Presentation of the necessary conditions for taking the final exam, i.e. dates, regulation requirements concerning the form and the range of the thesis. Students will make a short presentation on the subject of the thesis (followed by a discussion); students will also present interesting articles (not necessarily concerning the subject matter of the thesis).

Introductory courses and the required pre-knowledge:

-Knowledge acquired during the studies, especially the subject-matter of the thesis.

Courses form and teaching methods:

-Seminar

Form and terms of complete the course - requirements and assessment methods:

-The presentation and the activity during the seminar will be evaluated.
