Faculty of Engineering Management

STUDY MODULE D	ESCRIPTION FORM			
Name of the module/subject		Code		
Assortment Management		1011102331011145027		
Field of study	Profile of study	Year /Semester		
Engineering Management - Full-time studies -	(general academic, practical) general academic			
		2/3		
Elective path/specialty	Subject offered in:	Course (compulsory, elective)		
Marketing and Company Resources	Polish	elective		
Cycle of study:	Form of study (full-time,part-time)			
Second-cycle studies	full-time			
No. of hours		No. of credits		
Lecture: 15 Classes: - Laboratory: -	Project/seminars:	- 2		
Status of the course in the study program (Basic, major, other) (university-wide, from another field)				
other	other university-wide			
Education areas and fields of science and art		ECTS distribution (number and %)		
social sciences		2 100%		
Responsible for subject / lecturer:	Responsible for subject	ct / lecturer:		
dr inż. Marek Goliński email: e-mail: marek.golinski@put.poznan.pl	dr inż. Marek Goliński email: marek.golinski@put.poznan.pl			

Prerequisites in terms of knowledge, skills and social competencies:

		T
1	Knowledge	The student has basic knowledge from marketing and marketing research
2	Skills	A student is able to interpret and describe the factors that affect the market mechanism of efficient functioning of the enterprise.
3	Social competencies	A student is able to analyze and effectively use marketing tools affecting the enterprise's actions.

tel. +48 61 665 34 03

Wydział Inżynierii Zarządzania

ul. Strzelecka 11 60-965 Poznań

Assumptions and objectives of the course:

Understanding the importance of making assortment in creating of the competitive advantage of enterprise, learning methods and techniques of assortment management.

Study outcomes and reference to the educational results for a field of study

Knowledge:

tel. +48 61 665 34 03

Wydział Inżynierii Zarządzania

ul. Strzelecka 11, 60-965 Poznań

- 1. The student has knowledge about the significance and interrelationships of the product range in marketing mix. [K2A_W01]
- $2. The student knows and understands the ways of functioning of the techniques and tools that form enterprise [K2A_W08]\\$
- 3. The student knows basic terminology relating to the formation of assortment, value, innovation and creativity. [K2A_W01]
- 4. The student has knowledge of the techniques and research methods used in the formation of product range. [K2A_W09]
- 5. The student has knowledge of the marketing strategies used in the assortment management. [K2A_W05]

Skills:

- 1. Student is able to identify market factors that influence formation of assortment [K2A_U01]
- 2. The student is able to to classify the products and determine the value of the product range for the target customers group. [K2A_U02]
- 3. The student is able to make an economic assessment of the decisions taken about formation of assortment. [K2A_U04]
- 4. The student is able to apply the techniques and methods for creative and innovative ways to develop the product range. [K2A_U06]
- 5. Student is able to apply the research techniques and methods for the development and verification of new product range on the market. [K2A_U07]

Social competencies:

Faculty of Engineering Management

- 1. The student is able to use the skills to conduct in creative and innovative way both in professional use as well as personal life. [K2A_K05]
- 2. The student is aware of the significance of the decision from the management of new products and their impact on the behavior of buyers. [K2A_K03]
- 3. Student is able to use modern information and communication technologies both for professional use as well as personal life in a conscious and effecting way [K2A_K06]

Assessment methods of study outcomes

Forming rating:
