

COURSE DESCRIPTION CARD - SYLLABUS

Course name

English course - speaking

Course

Field of study

Mechanical Engineering

Area of study (specialization)

Level of study

Second-cycle studies

Form of study

part-time

Year/Semester

1/2

Profile of study

general academic

Course offered in

English

Requirements

elective

Number of hours

Lecture

Laboratory classes

Other (e.g. online)

Tutorials

Projects/seminars

20

Number of credit points

3

Lecturers

Responsible for the course/lecturer:

Izabela Cichocka MA

email: izabela.cichocka@put.poznan.pl

tel. 61 665 27 05

Centrum Języków i Komunikacji

Responsible for the course/lecturer:

other English teachers

Prerequisites

The already acquired language competence compatible with level B2 (CEFR).

The ability to use general and field specific vocabulary, and grammatical structures required on the first level of studies.

The ability to work individually and in a group; the ability to use various sources of information and reference works.

Course objective

Advancing students' language competence towards the level at least B2+ (CEFR).

Development of the ability to use field specific language effectively in both receptive and productive language skills.

Improving the ability to understand field specific texts.

Improving the ability to function effectively on an international market and on a daily basis.

Course-related learning outcomes

Knowledge

1. The student ought to acquire field specific vocabulary related to crime and punishment, honesty and to be able to define and explain associated terms.
