

COURSE DESCRIPTION CARD - SYLLABUS

Course name

Humanistic-social subject I - Negotiations and contracts

Course

Field of study

Electrical power engineering

Area of study (specialization)

-

Level of study

Second-cycle studies

Form of study

part-time

Year/Semester

1/2

Profile of study

general academic

Course offered in

polish

Requirements

elective

Number of hours

Lecture

20

Laboratory classes

0

Other (e.g. online)

0

Tutorials

0

Projects/seminars

0

Number of credit points

2

Lecturers

Responsible for the course/lecturer:

Marcin Nowak, Ph.D., Eng.

marcin.nowak@put.poznan.pl

514 541 507

Faculty of Engineering Management

60-965 Poznań

2 J. Rychlewskiego Str.

Responsible for the course/lecturer:

Rafał Mierzwiak, Ph.D., Eng.

rafal.mierzwiak@put.poznan.pl

691504270

Faculty of Engineering Management

60-965 Poznań

2 J. Rychlewskiego Str.

Prerequisites

The student has basic knowledge of the humanities. He also has basic skills in the field of analysis and searching for information for the use of professional practice. The student recognizes the importance of the organization of own work as a component of effective functioning in the professional and social environment.

Course objective

The aim of the course is to acquire knowledge and skills by students in the following areas: developing the ability to communicate with a partner during negotiations, practical use of the principles of negotiation during group discussions and dialogue, shaping argumentation competences and achieving goals in the negotiation process through the use of various styles and strategies.

Course-related learning outcomes

Knowledge

1. The student has knowledge of business communication as well as negotiation styles and strategies
2. The student knows the basic negotiation techniques
3. The student has knowledge of the preparation and conduct of the negotiation process

Skills

1. The student is able to define the goal, arguments, alternative solutions and BATNA in negotiations
2. The student is able to use the acquired knowledge to conduct negotiations effectively
3. The student is able to analyze and critically evaluate the styles of conducted negotiations

Social competences

1. The student is able to work in a team and be open to suggestions from other group members
2. The student is prepared to think and act in an entrepreneurial way.
3. The student is aware of the need to develop social competences in the field of conducting business negotiations.

Methods for verifying learning outcomes and assessment criteria

Learning outcomes presented above are verified as follows:

The credit scheme is as follows:

1. Preparation of a final work on the negotiation process - 50 points are possible.
2. Final test consisting of closed and open-ended questions - 50 points are possible.

Passing threshold: obtaining a minimum of 50 points, including a final thesis and a test.

Programme content

Analysis of the negotiation process: the essence and goals of negotiations. General characteristics and assumptions of the negotiation process. BATNA in negotiations. Features of a professional negotiator. Cognitive errors. Cognitive heuristics. Negotiation type: soft, hard and to the point. The role of verbal and non-verbal communication during negotiations. Negotiation techniques. Self-presentation in negotiations. Unethical behavior during negotiations. Intercultural barriers to negotiations.

Teaching methods

Lecture: informative lecture - multimedia presentation illustrated with examples given on the board.
