

COURSE DESCRIPTION CARD - SYLLABUS

Course name

Rights and responsibilities

Course

Field of study

Mechanical and Automotive Engineering

Area of study (specialization)

Level of study

First-cycle studies

Form of study

full-time

Year/Semester

I/I

Profile of study

general academic

Course offered in

PL

Requirements

compulsory

Number of hours

Lecture

4

Laboratory classes

0

Other (e.g. online)

0

Tutorials

Projects/seminars

0

Number of credit points

0

Lecturers

Responsible for the course/lecturer:

dr inż. Marlena Kucz

email: marlena.kucz@put.poznan.pl

tel. 616652864

Wydział Budownictwa i Inżynierii Środowiska

ul. Piotrowo 5 60-965 Poznań

Responsible for the course/lecturer:

Chairman of the WILIT Student Government

Prerequisites

The student knows the basic concepts related to the essence of interpersonal communication, knows

the interpersonal rules, knows the basics of Savoir vivre. General knowledge at the secondary school level in the humanities, natural and social sciences.

Course objective

The main aim of the training is to introduce new students to the university life, to familiarize them with the rules of the university, to present the Student Government as the first line of support, to provide them with information from? Older colleagues? That will always be better assimilated than those written on the website or briefly provided at an organizational meeting with 1st year students.

Conducting in consultation with the Faculty Authorities: WILIT Faculty Student Self-Government Council. Leader: member of the Student Self-Government, previously trained, directly or indirectly, by the Students' Parliament of the Republic of Poland.
