

COURSE DESCRIPTION CARD - SYLLABUS

Course name

Fundamentals of management

Course

Field of study

Production Engineering and Management

Area of study (specialization)

Level of study

First-cycle studies

Form of study

part-time

Year/Semester

1/2

Profile of study

general academic

Course offered in

Polish

Requirements

compulsory

Number of hours

Lecture

20

Tutorials

10

Laboratory classes

Projects/seminars

Other (e.g. online)

Number of credit points

4

Lecturers

Responsible for the course/lecturer:

PhD Beata Starzyńska

email: beata.starzynska@put.poznan.pl

ph. 61 665 27 41

Faculty of Mechanical Engineering

Piotrowo Street, No 3 60-965 Poznań

Responsible for the course/lecturer:

Prerequisites

The student has knowledge of the basics of entrepreneurship; ability to associate facts, logical thinking and the use of e-resources; understanding the need for learning and acquiring new knowledge.
