| Number of hours   |                        |                                      |  |  |
| Lecture<br>0  | Laboratory classe<br>0 | s Other (e.g. online)<br>0           |  |  |
| Tutorials<br>40   | Projects/seminars<br>0 |                                      |  |  |
| Number of credit points 5,00                              |                        |                                      |  |  |
| Coordinators  |                        | Lecturers                            |  |  |
| Prerequisites<br>none                                     |                        |                                      |  |  |
| Course objective<br>none                                  |                        |                                      |  |  |
| Course-related learning outcomes none                     |                        |                                      |  |  |
| Methods for verifying learning outcomes presented al none |                        |                                      |  |  |
| Programme content   |                        |                                      |  |  |

#### **Course topics**

# Teaching methods

none

## Bibliography

none

## Breakdown of average student's workload

|  | Hours | ECTS |
|--|-------|------|
| Total workload   |       |      |
| Classes requiring direct contact with the teacher  |       |      |
| Student's own work (literature studies, preparation for laboratory classes/<br>tutorials, preparation for tests/exam, project preparation) |       |      |
