Course objective

A Prezi presentation is displayed during the training, it is updated annually by the Parliament of RP Students, and adapted to the training. A sample presentation is available for viewing at http://prezi.com/qcgnxvika7it/?utm_campaign=share&utm_medium=copy&rc=ex0share. The main purpose of the training is to introduce new students to university life, familiarize them with the rules of the university, introduce the Student Government as the first line of support, give them information from "older colleagues" that will always be better absorbed than that written on the website or briefly conveyed at an organizational meeting.
