### **POZNAN UNIVERSITY OF TECHNOLOGY**

EUROPEAN CREDIT TRANSFER AND ACCUMULATION SYSTEM (ECTS)

#### COURSE DESCRIPTION CARD - SYLLABUS

Course name

Preparation of diploma thesis [N2Mech1-KSUM>PPD]

| Course  |                         |                                   |            |
|---|-------------------------|-----------------------------------|------------|
| Field of study<br>Mechatronics  |                         | Year/Semester<br>2/4              |            |
| Area of study (specialization)<br>Design and Control of Mechatronic                 | Devices                 | Profile of study general academic | c          |
| Level of study<br>second-cycle  |                         | Course offered in<br>Polish       | 1          |
| Form of study<br>part-time  |                         | Requirements compulsory           |            |
| Number of hours   |                         |                                   |            |
| Lecture<br>0  | Laboratory classe<br>0  | es                                | Other<br>0 |
| Tutorials<br>0  | Projects/seminars<br>40 | 6                                 |            |
| Number of credit points<br>11,00  |                         |                                   |            |
| Coordinators  |                         | Lecturers                         |            |
| Prerequisites<br>none   |                         |                                   |            |
| Course objective<br>none  |                         |                                   |            |
| Course-related learning outcomes none   |                         |                                   |            |
| Methods for verifying learning outcome<br>Learning outcomes presented above<br>none |                         |                                   |            |
| Programme content<br>none   |                         |                                   |            |
| Course topics   |                         |                                   |            |

# Teaching methods

none

## Bibliography

none

## Breakdown of average student's workload

|  | Hours | ECTS |
|--|-------|------|
| Total workload   |       |      |
| Classes requiring direct contact with the teacher  |       |      |
| Student's own work (literature studies, preparation for laboratory classes/<br>tutorials, preparation for tests/exam, project preparation) |       |      |
