

COURSE DESCRIPTION CARD - SYLLABUS

Course name

Fundamentals of management [S1MNT1>POS-POiZ]

Course

Field of study

Mathematics of Modern Technologies

Year/Semester

4/7

Area of study (specialization)

–

Profile of study

general academic

Level of study

first-cycle

Course offered in

Polish

Form of study

full-time

Requirements

elective

Number of hours

Lecture

30

Laboratory classes

0

Other

0

Tutorials

30

Projects/seminars

0

Number of credit points

4,00

Coordinators

dr hab. inż. Joanna Kalkowska prof. PP
joanna.kalkowska@put.poznan.pl

Lecturers

Methods for verifying learning outcomes and assessment criteria

Learning outcomes presented above are verified as follows:

Lectures& Tutorials:

- forming evaluation: lectures: based on the answer to questions concerning material discussed at previous lectures;
- recapitulating evaluation: lectures: (1) ranking a multiple-choice test, with replies amongst which at least one is correct; every question is being in the scale from 0 to 1; the object is ranked after getting at least 55% of points (2) discussing test results.

Programme content

Update: 01.06.2023r.

Lectures: Management - its meaning. Organization in surrounding the management as the object.

Elements

of the organization - people, technologies, processes. Information and communication in the management. Managing as the decision-making process. The structure, goals and managements functions. Management methods. Evaluation criteria of the efficiency of action. The essence of the steering work, elements of the management, roles and managerial abilities, management styles of control. Ethical and cultural context of the management. Management in the context of changes. Management in the conditions of the globalization.

Course topics

none

Teaching methods

Lectures: lectures include interactions with students.

Breakdown of average student's workload

	Hours	ECTS
Total workload	100	4,00
Classes requiring direct contact with the teacher	60	2,50
Student's own work (literature studies, preparation for laboratory classes/ tutorials, preparation for tests/exam, project preparation)	40	1,50
