

Dear Partner,

The **European Student Placement Agency UK** team is happy to announce that we have new **internship opportunities** for your students, exchange students and ERASMUS+ grant holders in the field of **I.T. and Science!**

Please click on the following links to get access to the full description (PDF file) of the vacancy and feel free to share it with your keen students.

Information Technology:

[1\) 6 Month Software Testing Internship in Belfast \(PATST1104\)](#)

[2\) 6 Month Database Development Internship in West Berkshire \(TOWDA1104\)](#)

Sciences:

[1\) 12 Month Cellular Biology Internship in Oxford \(OXFCB1004\)](#)

[2\) 12 Month Molecular Biology Internship in Oxford \(OXFMB1004\)](#)

We are more than happy to keep growing our partnership with your institution and to help your students with professional development during their studies.

Just to remind you, **our services are completely free of charge** and every ESPA intern **receives accommodation (utility bills and internet access included) and commuter travel.**

Please do not hesitate to visit our website or to contact us in case you need any more information.
