

Careers Service Centre Poznan University of Technology

This is us

Careers Service Centre was established on June 1, 2004. We operate in close cooperation with the economy, we constitute a bridge between the student - employer and the graduate - employer. The main goal of the Careers Service Centre is to cooperate with companies so that they see students of Poznan University of Technology as their trainees, and future employees.

What we do

- We obtain attractive job, apprenticeship and internship offers;
- We collect, classify and provide information on the dynamics of change in the labor market;
- We inform about the possibilities of raising professional qualifications;
- We conduct counseling interviews (individual or in a group);
- We help with writing application documents;
- We conduct and mediate in training and workshops;
- We are an intermediary in student-employer and graduate-employer relations;
- We run databases of employers offering jobs, internships and apprenticeships;
- We organise face-to-face meetings with employers including Job Fairs;
- We handle the documentation procedure related to the “Non Disclosure Agreement” of diploma theses.

Job, Internship and Apprenticeship offers

On the website www.cpk.put.poznan.pl „Job Offers”:

5 406 employers from various industries were registered until May 2018, in the new service, as of August 2018, MORE than 2 100 employers were registered. Thousands of advertisements directed to students of all faculties of the Poznan University of Technology are also uploaded;

On the website www.cpk.put.poznan.pl „News”:

interesting internship offers are provided, training courses, webinars and other events.

On facebook <https://www.facebook.com/centrumpraktykikarier>

interesting internship offers are uploaded, training courses, webinars and other events.

Job Fair

Every year we organise a Job Fair where:

- Over 100 companies exhibit for 2 days;
- Employers offer students jobs, internships and apprenticeships;
- You can consult your application documents;
- You can meet company representatives in person.
