In Lending Room users may:

- enroll to the library
- activate user card
- borrow books (not return)
- fill circulation card
- pay a fee for delayed return
- reserve group study room

Circulation desk

- **lendings outside:**
 - books
 - text books and course books
 - monographs
 - dictionaries and lexicons
 - e - documents (as a part of printed document)
- **user registration**

User registration

Reader No	
	Name, surname
.....	
University, faculty, year of studies	
.....	
Address (in Poland)	
.....	
e-mail	
.....	
Date of birth	
.....	
Passport number	

Readers can apply for admission at the Circulation Desk throughout a year.

ID card & money (12 zł) = Valid Reader Card/Account

Reader Account is active from the day of renewal to 31st October of the next academic year.

Lending room

- Free access to shelves for users,
- books in **free access zone** (older or not so popular books are in **close stock**)
- **Self-check** stand (self-borrowing of books)
- Computer workstations for searching library catalogue

Lending room – books in free access zone

- There are textbooks, materials recommended by our academic teachers, language and topic dictionaries (with pressmark „W”)
- The collection is arranged in 12 main subject domains marked with letter A to P
- Each subject domain is further subdivided into parts
- The books on the shelf are arranged in increasing pressmarks
- **Students have free access to shelves** - they can browse the shelves, find a book and borrow it themselves by self-service borrowings machine or with help of librarian in circulation desk
- Materials from free access collection can be borrowed for longer period (about six months)
- Each title has one copy of short-time lendings (fortnight lendings)
- The books from free access zone can't be reserved by online catalogue
- Book returns are only made through the self-return of books machine

Subject arrangement of collection

- **A** Social Sciences
- **B** Computer Science
- **C** Automatic control. Robotics
- **D** Electrotechnics. Electrical power engineering. Electronics. Telecommunications
- **E** Mathematics. Physics. Chemistry
- **F** Earth and Biological Sciences
- **G** Engineering and Technics
- **H** Civil Engineering and Transport
- **J** Industry. Craft. Agriculture
- **K** Architecture. Town planning. Art
- **L** Science and Knowledge. Encyclopedias. Dictionaries
- **P** Posnaniana

Self-check (self-service borrowings in free access zone)

Thanks to RFID technology users may borrow materials themselves

To borrow book readers:

- must have valid library card,
- only books from free access zone may be borrowed by self-check stand,
- books from closed stock must be ordered via online catalogue

Lending room – books in close stock

- There are monographic publications, older textbooks, popular-scientific books (with pressmark „Mg”)
- Students don't have free access to shelves in this area
- Due to borrow books from close stock, students have to order them by online catalogue
- Collecting of ordered books is at Circulation desk
- Materials from close stock collection can be borrowed only for three months
- Book returns are only made through the self-return of books machine
