2. The fee for long-term accommodation should be paid in advance, for a given calendar month, by the 15th day of each month, unless check-out takes place before that date – in which case the fee should be paid no later than on the day of check-out.
3. If the accommodation starts after the 8th day of the month, the accommodation fee for that month should be paid within 7 days from the date of check-in.
4. In the case of vacancies in a multi-person dormitory room, the Head of the Student Housing Complex may – at the request of a resident – give permission to accommodate a student in a room where all the available places have not been used. In such a case, the fee for the unused place is 50% of the rate and is divided proportionally between all the residents in the room.
5. The fee for accommodation in a dormitory of Poznan University of Technology for a person holding a disability certificate is reduced by:
  - 1) 30% - significant degree of disability,
  - 2) 20% - moderate degree of disability,
  - 3) 10% - light degree of disability.
 This applies to PUT students and Ph.D. students as well as students and Ph.D. students from universities with a signed agreement.
6. In the case of check-in or check-out during a calendar month (including a 14-day notice period), the accommodation fee is calculated in proportion to the number of days of residence in a given month.

### **§ 4**

1. Persons who have signed a reservation declaration are obliged to pay a reservation fee of PLN 500. This fee, after check-in, is credited towards the accommodation fee.
2. In the event of resignation from accommodation, despite the reservation made, the paid reservation fee is non-refundable and is transferred to Poznan University of Technology.
3. Persons who did not participate in the reservation process in accordance with the schedule are required to sign an accommodation declaration before check-in.

## **DEPOSIT**

### **§ 5**

2. The deposit should be paid by bank transfer within 3 days from the date of check-in.
3. The deposit, in whole or in part, will be returned within 14 calendar days from the date of termination of stay in a dormitory. In special cases, with the consent of the Dormitory Supervisor, it is possible to have the deposit returned in cash.
