Student from outside the EU

How to get public health insurance?

The logo for Narodowy Fundusz Zdrowia (NPFZ), featuring the letters 'NPFZ' in a stylized, dark blue serif font. The letter 'P' is unique, with a white heart shape cut out of its center.

Narodowy Fundusz Zdrowia

STEP 1

Signing an agreement with the NFZ

► Required documents:

- certificate issued by the Polish University
- passport or residence card
- document confirming the fact of residence in Poland

Source: www.sxc.hu

STEP 2

Registration of the agreement with ZUS

(Zakład Ubezpieczeń Społecznych = Social Insurance Institution)

submission of **ZUS ZZA** form
within **7** days

www.zus.pl

Poznań:

- Dąbrowskiego Street 12,
- Starołęcka Street 31,
- Fabryczna Street 27/28

61/ 841 60 00
22/ 560 16 00

The image shows a sample of the ZUS ZZA form, which is used for registering for health insurance or reporting changes. The form is divided into several sections, including personal data of the insured person, employer data, and insurance details. It contains various fields for dates, names, and identification numbers, along with checkboxes for different types of insurance contributions. A large 'WZROST' watermark is visible across the center of the form.

STEP 3

Monthly payment of contributions

Fee: **55,80 PLN** / per month

payment on **account of**
the Social Insurance Institution

not later than on the **20th** day
of each month for preceding month

Source: www.sxc.hu

STEP 4

Termination of agreement

If you:

- finish your studies
- finish your stay in Poland
- start a job etc.

1. inform NFZ and declare termination of the agreement
2. Fill in **ZWUA form** and send it to the Social Insurance Institution
