Students helping students

ESN PUT Poznań is a group of students who aim to:

- Welcome and assist exchange students during their stay in Poznań
- Guide local students through the process of going abroad for their exchange

Erasmus Student Network

There are over 500 similar groups
in 44 countries.

In Poland, there are 27 of them so
far.

In Poznań – 3.

We're all connected in the ESN
brand.

What do we do?

Communication

The first and basic step we take when contacting Erasmus students is to set up a group on WhatsApp.

This is a space for them to solve problems and make contacts.

ESN Buddy Programme

ESNcard

ESNcard is a card that certifies membership in the ESN network. It entitles you to discounts with our partners.

It is available to exchange students, Mentors and members of ESN organizations.
